

ADMINISTRATIVE FEES

The Columbus Foundation fees are based on the amount of work required to administer different fund types. The fee schedule below applies to the funds in The Columbus Foundation and Community Foundations, Inc. Through economies of scale, the Foundation is able to charge minimal fees compared to the costs of maintaining a private foundation.

Pass-Through Funds Created by and Additions to Funds from Planned Gifts

The Columbus Foundation will charge a one-time 1% fee on planned gifts contributed as a pass-through gift at death or upon termination of a trust. A pass-through gift is where a planned gift is contributed to the Columbus Foundation through a bequest, trust, life insurance policy, retirement plan, or other testamentary transfer, and where the Columbus Foundation will distribute the planned gift contribution of assets or a portion of the contributed assets to the charity or charities the donor has named within a few years of receiving the planned gift. There will not be a bequest fee on gifts that create permanent funds at the Foundation.

NOTE: Annual fees, except Organization Endowment Fund fees, are assessed quarterly based upon the fund's previous quarter-end market value. Organization Endowment Fund fees are calculated once a year in the first quarter and are based upon the fund's prior year-end market value.
