

DONOR ADVISED FUNDS

SIMPLE AND CONVENIENT

PHILANTHROPY PORTFOLIO

The number one option for donors who value freedom, flexibility, and choice, Donor Advised Funds offer a hands-on approach to philanthropy. Donor Advised Funds are ideal for those wanting to give to multiple organizations and programs throughout the year.

THE COLUMBUS FOUNDATION supports your charitable efforts with personalized service and insight about community needs and organizations. We're here to help you help others through the most effective philanthropy possible. We work with donors from all walks of life who want to improve the community through charitable giving. As central Ohio's most comprehensive philanthropic resource, we are dedicated to increasing the effectiveness of your philanthropy, identifying the greatest needs of nonprofit organizations, and helping strengthen our community.

GETTING STARTED IS EASY.

A Donor Advised Fund is a personalized fund that makes it easy for you to support the issues and organizations you care about in central Ohio or across the country. You can use cash, stock, or other assets to create a named fund, qualify for an immediate income tax deduction, and when it's convenient for you, choose the charities you want to support. It takes \$10,000 or more to open your Donor Advised Fund.

Our Donor Advised Fund was an important step in our retirement planning. It provides us with a tax benefit while we are still working and will allow us to continue to support local arts, civic, and educational organizations, including our out-of-state alma maters, after we have both retired. Plus, we can check out the fund—and even make donations—online, any time we like.”
